

Webinar Information Sheet

Webinar Title: "When Good Knees Go Bad"

Course Description: Knee pain and restricted mobility make exercise difficult if not impossible, compromising your clients' strength training and cardiovascular goals. This webinar examines both the structural and mechanical roots of knee dysfunction, and offers specific suggestions to improve function while reducing the risk of re-injury. Whether you are a personal trainer, group fitness instructor or boot camp leader you will come away from this webinar armed with exercises to improve function, mobility and performance.

Learning Objectives:

- After viewing this webinar you will be able to:
 - Identify steps to effectively managing knee injuries or conditions
 - Explain different knee problems
 - Describe causes of various knee problems and conditions
 - Identify the difference between various knee conditions
 - Apply exercise recommendations for various knee conditions

Target Audience: Fitness Professionals, Strength & Conditioning Specialists, ATs, PTs, PTAs, LMTs.

Schedule and Format: Self-paced recorded webinar.

Registration Fees: \$20.00

Cancellation/Refund Policy: After you get your home study course you have three days to change your mind and ask for a full refund. Just notify us by email within that three day window and provided you have not generated your continuing education certificate we will issue a full refund. That's it. No questions asked. (Once you have generated your CE certificate you can not cancel the order.) ***Remember that all webinars must be viewed in the year they were purchased!***

Course Developer Credentials:

Chris Marino, M.S., CSCS

Chris is a strength and conditioning specialist in private practice in the metro Philadelphia area. With almost 10 years experience in all aspects of fitness Chris specializes in training clients with chronic orthopedic conditions and those who have been released from physical therapy following joint replacement, surgery or injury. Chris is the owner of "Marino's Body Shop," a

personal training management company located in southeastern PA specializing in Boot Camps for different fitness levels. Chris is certified by the NSCA, ACSM, and ACE and is experienced in functional training, core conditioning and advanced exercise techniques for athletes and recreational athletes. Chris joined our faculty in 2001.

Course Presenter Credentials:

Laura Abbott, M.S., LMT

Laura Abbott is an NCTMB certified and Georgia licensed massage therapist having graduated from Academy of Somatic Healing Arts in Atlanta, GA. She earned her undergraduate degree in Exercise Science and her Master's Degree in Sports Medicine from Georgia State University, and she interned in the Emory University Cardiac Rehabilitation Department and at the Georgia Institute of Technology Athletic Department. Laura worked with Federal Occupational Health training and educating Federal Law Enforcement officers and traveled around the country presenting continuing education programs for many years. She has been quoted in Ladies Home and was a featured speaker for the Speaking of Women's Health Expo for 2 consecutive years and she has presented at the National American College of Sports Medicine conference. Laura currently teaches in the Kinesiology and Health department at Georgia State University and is a guest speaker at Atlanta area massage schools and at the Georgia State University Physical Therapy department. Since 1991 she has owned and operated Premier Performance, Inc. in Atlanta, specializing in exercise and massage therapy. She is the author of the book, *Massage Therapy Review: Passing the NCETMB and NCETM* published by McGraw-Hill and available on Amazon.com. Laura joined our faculty in 1996.
