

Webinar Information Sheet

Webinar Title: “The Knee: Top Trends in Training”

Course Description: The function of the healthy knee goes front and center in an important webinar that will show you specific programming suggestions to keep your client strong, mobile and pain free. Whether your client's goal is to improve athletic performance, increase speed, maintain ambulation or just get up and down from their chair more efficiently, this course will help you to maintain peak performance along with pain-free function.

Learning Objectives:

- After viewing this webinar, you will be able to:
 - Identify knee anatomy and proper range of motion
 - Explain how to assess ankle range of motion
 - Describe correct knee positioning during squats
 - Provide proper instructions for jumps and landing techniques
 - List the components of efficient running

Target Audience: Fitness Professionals, Strength & Conditioning Specialists, ATs, PTs, PTAs, LMTs.

Schedule and Format: Self-paced recorded webinar.

Registration Fees: \$20.00

Cancellation/Refund Policy: After you get your home study course you have three days to change your mind and ask for a full refund. Just notify us by email within that three day window and provided you have not generated your continuing education certificate we will issue a full refund. That’s it. No questions asked. (Once you have generated your CE certificate you can not cancel the order.) ***Remember that all webinars must be viewed in the year they were purchased!***

Course Developer Credentials:

Chris Marino, M.S., CSCS

Chris is a strength and conditioning specialist in private practice in the metro Philadelphia area. With almost 10 years experience in all aspects of fitness Chris specializes in training clients with chronic orthopedic conditions and those who have been released from physical therapy following joint replacement, surgery or injury. Chris is the owner of "Marino's Body Shop," a personal training management company located in southeastern PA specializing in Boot Camps

for different fitness levels. Chris is certified by the NSCA, ACSM, and ACE and is experienced in functional training, core conditioning and advanced exercise techniques for athletes and recreational athletes. Chris joined our faculty in 2001.

Course Presenter Credentials:

Laura Abbott, MS, LMT

Laura Abbott is an NCTMB certified and Georgia licensed massage therapist having graduated from Academy of Somatic Healing Arts in Atlanta, GA. She earned her undergraduate degree in Exercise Science and her Master's Degree in Sports Medicine from Georgia State University, and she interned in the Emory University Cardiac Rehabilitation Department and at the Georgia Institute of Technology Athletic Department. Laura worked with Federal Occupational Health training and educating Federal Law Enforcement officers and traveled around the country presenting continuing education programs for many years. She has been quoted in Ladies Home and was a featured speaker for the Speaking of Women's Health Expo for 2 consecutive years and she has presented at the National American College of Sports Medicine conference. Laura currently teaches in the Kinesiology and Health department at Georgia State University and is a guest speaker at Atlanta area massage schools and at the Georgia State University Physical Therapy department. Since 1991 she has owned and operated Premier Performance, Inc. in Atlanta, specializing in exercise and massage therapy. She is the author of the book, *Massage Therapy Review: Passing the NCETMB and NCETM* published by McGraw-Hill and available on Amazon.com. Laura joined our faculty in 1996.
