Our newest ConEd class has been completely rewritten and updated and boasts new balance drills, new video content and brand new course titles and numbers.

THE SCHEDULE

- 1. 8:30 am – 10:30 am**
Functional Balance: Training Clients who are a Fall Risk
The task-specific needs of the frail elder are front and center in this important course that explores the realities of frailty -- and the improvements balance training can bring.
- 2. 10:30 am - 12:30 pm**
Dynamic Balance: Innovative Drills to Build Confidence & Reduce Fall Risk
You're going to love this fast paced course that will demonstrate brand new balance drills to empower, strengthen and maintain independence for the more functional senior.
- 3. 1:30 pm – 3:30 pm**
Primal Balance: Strength Training to Reduce Fall Risk
This innovative course cleverly merges primal exercise with more advanced dynamic balance and agility drills for a workout that is both challenging and effective.
- 4. 3:30 pm – 5:30 pm**
Cognitive Balance: Using Movement & Music to Improve Cognition
The role of the hippocampus takes center stage in this evidence-based course that explores the effect carefully selected music can have on memory and the aging brain.
